

6th International Research Conference
on Engineering and Technology

November 14-16, 2024

Bangkok, Thailand

6th IRCET CALL FOR PAPERS

Submission in the fields of sciences
related to the themes down below
are all welcomed.

/ Materials and Applied Science
/ Nanotechnology
/ Environmental Engineering
/ Electrical and Electronic Engineering
/ Computer Engineering & Technology
/ Biological and Chemical Engineering
/ Civil Engineering
/ Mechanical Engineering

Special Session: **AI, 5G, IoT and Blockchain**

- Reconstruction
- Self-driving Car
- Smart Factory
- Smart Energy
- AR, VR
- SmartCity
- Smart Manufacturing
- Artificial Neural Networks
- RPA (Robotic Process Automation)
- GAN (Generative Adversarial Networks)
- Autopilot

**Jul.
15** | Submission
Deadline

**Aug.
01** | Notification
of Acceptance

**Aug.
20** | Early Bird
Registration
Deadline

**Sep.
05** | Registration
Deadline
